A Style for Every Season
Style can be defined as "a distinctive appearance in which something is designed." Style can also have action in which "we design to a particular form."

Some items never go out of style. For example, everyone has had their favorite pair of denim jeans they crawl into whether it was the bell bottoms of the 1960’s, designer jeans of the 1980’s or skinny jeans of today. The classic look of jeans has never gone out of style.

At DINKLES®, our marching shoes have not gone out of style after 33 years of use by marching units across the country and around the world. Directors and students look in their closet year after year and know that the marching shoe style DINKLES® created many years ago is as fashionable and comfortable today as your favorite pair of blue jeans.

Meanwhile, our competitors try each year to catch up to DINKLES® with new products they feel are the "latest and greatest" in marching shoes. What they don’t understand is that you can never replace the high quality and popular features of DINKLES® which will never go out of style.

Over the past 33 years at DINKLES® we have mixed style and function in every pair of shoes that leave our warehouse. You see, my father taught me about shoemaking as his father taught him. He showed me what makes a shoe function, the proper fit of a shoe and the elements of shoe construction used from the inside out to deliver a shoe we are proud to call DINKLES®.

But we also want you to be completely satisfied with your purchase with the knowledge that DINKLES® stand the test of time in style, safety and durability.

Please take a few minutes to review our 2019-20 brochure and see the quality shoes and gloves that we have provided to band directors and music educators for a third of a century.

We take great pride in providing timeless style in our shoes and satisfying customers every step of the way. We invite you to make the decision to march in DINKLES® this year and become part of our continued heritage.

Sincerely,

Jeffrey Savoca
President
Beauty is in the eye of the beholder. And for many of the students who wear DINKLES®, beauty is found in their marching shoes. We’re proud every time the Spirit of DINKLES® moves our biggest fans to express themselves, especially when our Super Fans stage photos like these.

Be sure to follow us on Instagram and Facebook and tag us with #DINKLES every chance you get.

Tom Batiuk, Creator of the Funky Winkerbean comic strip featuring World’s Greatest Band Director, Harry Dinkle, spreads the SPIRIT of DINKLES throughout the year at music conferences and other special appearances.
**DINKLES® Beats the Competition**

**Making a claim of being ‘the best’ needs to have a certain degree of facts or science to back-up the claim. That’s why only DINKLES® put its shoes to the test to ensure that they meet the highest standards possible for safety, comfort and durability. As these graphs illustrate, independent tests conducted by Artech Testing LLC of Chantilly, VA (a major testing facility which performs tests for many manufacturers worldwide) prove that DINKLES® are basically the best in every area that matters.**

**To read the slip test charts above; the higher the number, the better the test results, meaning the better the materials. The lower the number, the lower the test score, the poorer the materials.**

According to these tests, DINKLES® had the most traction on both wet and dry surfaces making for the safest, most slip-resistant shoe available.
Triad Heel™ is designed for corps-style marching and eliminates heel wobble. The natural extension (dorsi-flexion) of a human's ankle is 20°. Even at an angle of 60°, the stability of the Triad Heel™ is unmatched. It's a DINKLES® exclusive providing a high degree of stability, balance and safety while marching.

1 RUNNER'S ORTHO CUP. Molds to the shape of the foot creating a custom fit. Provides extra arch support and comfort.

2 HEEL NOTCH. Holds a spat securely in place.

3 TEXON® INSOLE BOARD. Provides a sturdy foundation which prevents the shoe from breaking down.

4 TRIAD HEEL™ DESIGN. This heel is designed with two stabilizing points that allow the heel to roll smoothly with no wobble.

5 NI-LEX® TWO-ZONE COMFORT LINING. Two working layers pull moisture away from the foot keeping it dry and comfortable.

6 FOREPART PAD AND FLEX FEATURE. A foam pad is embedded in the insole board to provide extra cushion and flexibility where the stress of marching is greatest, reducing the shoe's "break-in" period.

7 FOAM INSERT. Custom insert in each sole for extra cushion preventing fatigue and burning in the ball of the foot.

8 ACTIVE RUBBER CUSHION. Gives your foot rebound for every step.

9 RUBBER BLENDED (TPR) SOLE. Provides maximum traction, cushion and wear.

10 OFFICIAL SEAL OF HARRY L. DINKLE. Assurance of superb, quality construction from the "World's Greatest Band Director."

11 FLEX BARS. These are made to take shock away from the heels and knees.

DINKLES.COM
DINKLES® exclusive Triad Heel™ provides unparalleled stability, balance and safety. No other shoe offers this level of stability and assuredness when marching.
As DINKLES® most popular shoe, the Glide® is the affordable package that delivers comfort, safety and a uniform appearance for your band. Lace up the Glide® for max performance on the field, stage or street and perform, no matter the season.

$34.95
FEATURES

Holly™

- Soft and supple easy maintenance upper
- Slip Resistant Soles and Heels made of Thermal Rubber Soling prevent black scrape marks
- Heel is proper height and accepts cleats or taps
- Insole has extra cushion in the heel creating more comfort in your step

Flexible Gore material in the shaft allows the boot to fit just about any calf size.

Holly #1005 – White $42.95
Holly™ & Stacie™

Marching boots are a piece of Americana straight from the gridiron of Friday Night Lights and Saturday afternoon scrimmages. The Holly™ is the full-length boot for twirlers and dance team performers that high kicks its way to be the center of attention.

While the Stacie™ is the shorter, low cut boot for band front and drill team members who march, dance and twirl through routines bringing the color to the melody and the rhythms.

No matter the cut, tall or small, DINKLES™ has the boot to deliver the safety, comfort and style your staff and members demand and deserve.

The heel height is 1" measured from the inside and 1 ¼” measured from the back to the ground.

FEATURES

Stacie™

- Slip Resistant (TPR) Rubber Soles prevent slips and falls
- Soft Vinyl Upper easily wipes clean
- Heel is proper height and accepts cleats or taps
- Non-Marking Soles prevent ugly black scrape marks
- Non-pilling inside collar material
- Extra cushion in heel area for miles of comfortable marching

Medium width only – for a wider foot, order a ½ size to a full larger

Stacie #2005 – White $36.95

DINKLES.COM 14
Spin™

DINKLES® commitment to the color guard and band front includes many different styles to deliver a great look and even better performance. No shoe on the market is better for today’s exacting visual designers and instructors than the Spin™. Providing a solid foundation from which to toss, dance, twirl and catch is the name of the game and the Spin™ is the marching, dancing, spinning shoe you’ve been searching for.

FEATURES

• Combination of Leather and Polyurethane Upper.
• Full rubber sole for traction, flexibility and wear. Sewn on forepart and heel area so the sole will never come off and allows for increased flexibility.
• Full tricot lined. Soft, non-pilling and keeps feet dry
• The insole is 3/8 inch thick, soft EVA covered with Knitfit lining.
• Water resistant so it can be used on damp surfaces.
• Indoor or outdoor use.

#207 – Black

$29.95
The Stinger™ delivers upon DINKLES® promise of quality and affordability in a front line shoe for beginners and intermediate performers alike. Young performers will always warmly remember their first pair of Stingers™ as the shoes they wore the first time they heard the applause on the field, floor or stage.

**FEATURES**

- Full Leather Upper with a microporous finish that allows feet to breathe and provides protection against scuffs, stains and water.
- Special Rubber Blended (TPR) Sole for superior traction on all surfaces
- Suede Heel Keeper
- Full Dri-Lex® Two Zone Comfort Lining
- Designed specifically for the contour of a woman’s foot
- Flexible for easy maneuvering

Medium width only – for a wider foot, order a ½ size to a full larger

**$29.95**

#805 – White
#806 – Nude
#807 – Black
SIZING

Women sizes from 5 • 5 ½ • 6 • 6 ½ • 7 • 7 ½ • 8 • 8 ½ • 9 • 9 ½ • 10 • 11 • 12 • 13 • 14
Medium width only.

For a male size order 2 sizes down. This means a Female size 14 is the same as a male size 12.
The Accent™ is DINKLES® at their very best. Pushing the envelope and watching the recent trends in the pageantry activity, DINKLES® added the Accent™ to the highest quality line-up in the marching and performance shoe industry. The Accent™ is widely accepted by demanding choreographers, designers and instructors as one of the most flexible and responsive shoes for the indoor and outdoor performance spaces.

**FEATURES**

- Genuine Suede Leather.
- Suede not only looks great but will clean easily with a soft brush keeping a like new appearance.
- The flexible forepart is a woven mesh. It is backed for strength yet has a high amount of flexibility.
- The sole pads are made of Polyurethane. This is considered one of the most durable foot beds used today.
- Full molded insole for comfort and support.
- Unique lacing system to prevent laces from loosening while performing.
Gloves

From fingers to toes, DINKLES® provides all of the essentials for any marching band and drum corps including the widest section of gloves on the planet. Choose the color, size and style for each section of the band and cover all of your bases with the convenience of one order through DINKLES® for your shoes and gloves. Hands down, DINKLES® gloves are the best on the planet.
